

Kellogg Kids enjoy the arts! Starting in Fall 2010, on Friday after school until 5 pm, we will have choir practice for our younger kellogg kids (PreK through 3rd grade). We will learn how to praise God and have fun at the same time by learning fun worship songs, playing the bells and other rhythm instruments and even dancing as the Spirit moves us! This energetic group will meet on Fridays after school until 5pm - a snack will be provided.
